

France Kosovo Undergraduate Research School of Mathematics

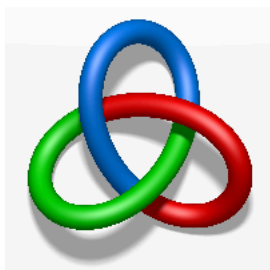

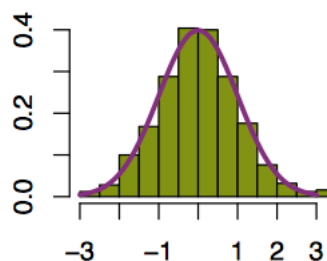

Third session July 11-14, 2016

Introduction to asymptotic statistic

Or where Gauss is (almost surely) everywhere...

Emilie Devijver

KU Leuven (Belgium)

Introduction to algebraic topology

Or where a cup of tea and a donut are similar

Rémi Molinier

Kansas State University

Introduction to Partial Differential Equations

Or how to get forecasts
Sometimes extremely precise

Saïd Jabrane

Teacher in Lyon

The unexpected math behind Van Gogh's "Starry Night"
